## Newsletter: Term 4 Week 8 2021

Hi all, as we near the end of the year, school's are busy places and we ask that you keep informed by checking Facebook, Skoolbag and your child's bag for notes. We do not want students missing out. We have several excursions for the end of the year, please check the notes carefully for times, lunch and dressing requirements.

Again, with restrictions we are unable to invite parents and carers to the Annual Presentation Day. We have been limited to invited guests being able to present and I am pleased to inform you that three P&C members are able to attend and present awards on the day.

At present Year 5 students are preparing their leadership speeches and I am positive that we have a terrific group of students to step up into the leadership group for 2022. I wish them all the best as I know how nerve racking it can be.

Report cards will be sent home December 10. We are also in the process of finalising classes for 2022. Parents and students will be informed of their class and teacher before the end of the year.
